## INFORMATION ON COMPLIANCE WITH CHEMICAL REQUIREMENTS

Pressmaster AB is fully aware of applicable chemical requirements set out in, inter alia, Regulation (EC) No. 1907/2006 on the registration, evaluation, authorization and restriction of chemicals ("REACH"), as a diligent producer of articles as defined in Article 3(4) REACH.

Therefore, we have introduced stringent procedures and processes that we deem appropriate in order to ensure the products' conformity with applicable requirements in REACH. To the best of our knowledge and based on information received from our suppliers, our products;

- Do not contain unacceptable concentrations of prohibited substances as set out in Annex XVII to REACH.
- Do not contain substances of very high concern<sup>1</sup> listed in the European Chemicals Agency's (ECHA) Candidate List ("Candidate Substances")<sup>2</sup> above the concentration limit 0.1 % w/w unless stated otherwise.
- We do not use substances subject to authorisation that is listed in Annex XIV to REACH.

In cases when materials or parts in our products contain Candidate Substances above the established concentration limit of 0.1 % w/w, we ensure that our customers have adequate information identifying the relevant Candidate Substance in the products or parts concerned. This SVHC information is provided for each affected product as a supplementary text added to order acknowledgement and delivery note.

The above information is provided in good faith and is based on data from our supply chain considered accurate at the time of preparing this note. No warranty is expressed or implied regarding the completeness or accuracy of this data. As a producer, we depend on the information we receive from our suppliers. We cannot be held liable for damages or costs resulting from the use of or reliance on such information.

If you have any questions related to our quality and compliance activities and concerning chemicals, please contact us at the following email address: [info@pressmaster.se](mailto:info@pressmaster.se)

<sup>1</sup> Substances of very high concern mean chemical substances which meet the criteria set out in Article 57 REACH
